PERSONAL ACCOUNT MIGRATION

Revolut Bank UK Ltd is a licensed UK bank (Firm Reference Number: 981170) authorised by the Prudential Regulation Authority (**PRA**) and regulated by the Financial Conduct Authority (**FCA**) and Prudential Regulation Authority.

Revolut Bank UK Ltd had previously received authorisation with restrictions from the PRA and entered a 'mobilisation' stage designed for new banks to complete the build out of their internal operations.

Revolut Bank UK Ltd exited the 'mobilisation' stage on 11/03/2026 and began the process of migrating the eligible UK customers of Revolut Ltd, a UK electronic money institution authorised and regulated by the FCA, to Revolut Bank UK Ltd (the **Account Migration**).

Historically, you have had an e-money account with Revolut Ltd. As a result of the Account Migration your entire balance was transferred from your e-money account with Revolut Ltd, to a new bank account with Revolut Bank UK Ltd.

The **Account Migration** took place on **06/08/2026** (the **Migration Date**). As a result of the Account Migration, please note that:

- Prior to the **Migration Date**, your account statements are from **Revolut Ltd** and relate to an **e-money account**; and
- After the **Migration Date**, your account statements are from **Revolut Bank UK Ltd** and relate to a **bank account**.

We handled everything in the background, so you won't see any confusing transactions in your statement. We can also confirm that your account number and sort code remain the same.

For more information about your bank account or the Account Migration generally please visit our [Help Centre](#).

If you would like to ask us any questions relating to the Account Migration then please contact us in the Revolut app via the in-app chat function.

How to make a complaint

If you'd like to make a complaint regarding the Account Migration then please follow the process set out in our [Complaints Policy](#).

PERSONAL ACCOUNT MIGRATION

Revolut Bank UK Ltd is a licensed UK bank (Firm Reference Number: 981170) authorised by the Prudential Regulation Authority (**PRA**) and regulated by the Financial Conduct Authority (**FCA**) and Prudential Regulation Authority.

Revolut Bank UK Ltd had previously received authorisation with restrictions from the PRA and entered a 'mobilisation' stage designed for new banks to complete the build out of their internal operations.

Revolut Bank UK Ltd exited the 'mobilisation' stage on 11/03/2026 and began the process of migrating the eligible UK customers of Revolut Ltd, a UK electronic money institution authorised and regulated by the FCA, to Revolut Bank UK Ltd (the **Account Migration**).

Historically, you have had an e-money account with Revolut Ltd. As a result of the Account Migration your entire balance was transferred from your e-money account with Revolut Ltd, to a new bank account with Revolut Bank UK Ltd.

The **Account Migration** took place on **06/08/2026** (the **Migration Date**). As a result of the Account Migration, please note that:

- Prior to the **Migration Date**, your account statements are from **Revolut Ltd** and relate to an **e-money account**; and
- After the **Migration Date**, your account statements are from **Revolut Bank UK Ltd** and relate to a **bank account**.

We handled everything in the background, so you won't see any confusing transactions in your statement. We can also confirm that your account number and sort code remain the same.

For more information about your bank account or the Account Migration generally please visit our [Help Centre](#).
