News and information

Why is it important to save?

Saving can be a great way to afford those treats in life and to help you live comfortably in the future. It can also help you in an emergency, making sure there's money available if the unexpected happens. Putting your savings into a savings account or ISA means we pay you interest on it, growing your savings even further. Some people find it helpful to keep their savings separate to their current account to prevent them from spending it. We offer Bonds and ISAs that lock your money away for a certain amount of time, or easy access accounts that give you peace of mind you can get to your money if you needed to. Find out how we can help you get started at www.santander.co.uk/personal/savings-and-isas

Changes to 1|2|3 Student and 1|2|3 Graduate current accounts

We want to let you know that we're renaming 2 of our current accounts. From early 2024, the 1|2|3 Student Current Account will be renamed to become the Santander Edge Student current account. The 1|2|3 Graduate Current Account will also be renamed to become the Santander Edge Grad current account. There are no other changes to these accounts, or any other Santander current accounts.
