News and information

Edge Up Funding Requirements

Edge Up customers may have received incorrect information about the funding requirements for their current account. Quarterly statements in August 23, November 23 and February 24 showed a minimum monthly funding figure of £500.00, instead of £1500.00. This has been corrected and we apologise for any confusion.

Never move money out of your account for security reasons

Criminals impersonate bank staff. They also pretend to be the police and other trusted organisations. They may say that your account is at risk and to keep your money safe you need to move it to a new account. If this happens, it's always a scam.

A genuine organisation will never rush you into taking action. Find out more at Santander.co.uk and then use the search option to find "fraud updates".
