## News and information

### Supporting our customers

During these challenging times there is a range of support which may help you. Please visit [santander.co.uk/personal/support](http://santander.co.uk/personal/support) and go to "Managing your money" for further information.

### Changes to using your debit card outside the UK for Santander Edge current account customers.

From 20 June 2023, we've stopped charging the foreign currency conversion fee (2.95%). It's now free to use your Santander Debit card outside the UK to withdraw cash or make a purchase. Please choose to transact in the local currency. Local banks may charge their own fees when you use one of their cash machines and you should make sure you understand what these are before making a withdrawal. Find out more about using your debit card outside the UK at [Santander.co.uk](http://Santander.co.uk) and search for 'travelling'.

### Changes to our 1|2|3, Select and Private Current Accounts – 20 June 2023

The 1|2|3 Current Account, Select Current Account and Private Current Account were removed from sale on 20 June 2023. This means that you can no longer apply for a new account in this range. If you already have one of these accounts, you can continue to use it as usual. The features and benefits with your account remain the same, including cashback, in-credit interest, and the monthly account fee.

### Changes to 1|2|3 World

On 20 June we stopped offering products with preferential rates for 1|2|3 world customers. If you already have an account with a 1|2|3 world rate, such as a Fixed Rate Bond or a loan, you'll keep that rate until the account matures or the loan is closed.

**Continued on reverse....**
