Notice of Variation

Santander UK plc Banking and Savings Terms and Conditions

We're making changes to our terms

We're making a number of changes to the terms and conditions for all our current and savings accounts, including cash ISAs and junior ISAs. These changes affect our General Terms and Conditions and Key Facts Documents.

We're letting you know now, so you have plenty of time to understand the changes or contact us if you have any questions.

From 2 April 2025, you'll be able to get the new terms on our website, in branch or by calling us and asking for a copy to be posted to you.

What we're changing

From 2 April 2025, we're making changes to our terms to reflect changes in law and regulation, including new rules that apply to ISAs and rules to protect consumers from scams. We're also making changes to reflect our way of doing business.

What you need to do

These changes will happen automatically on 2 April 2025. If you're happy with them, then there's nothing for you to do – you can keep using your account as normal. If you're not happy with them, you can close your account and end your agreement with us with no charge. If you would like to close your account, please get in touch with us before 2 April 2025. If we haven't heard from you by then, we'll assume that you've accepted the changes. You can still close your account after 2 April 2025 but the changes will apply.

If you have an overdraft, you'll need to repay this before we close your account.

If you wish to close your cash ISA or junior ISA, you'll need to transfer your money to a new ISA provider to keep the tax benefits of your account. You'll need to contact your new provider who will arrange the transfer for you. You cannot close a cash junior ISA by withdrawing the money as withdrawals are not allowed until the child's 18th birthday. If your account is a cash ISA and you close the account yourself the money will lose its tax-free status. It will count towards your current tax year ISA allowance if you then pay it into another ISA. If you've paid money into your cash ISA in this tax year already and close the account yourself, you won't be able to subscribe to another cash ISA with us until the next tax year.

New consumer protections for APP scams

What's changing?

From 7 October 2024, new rules apply to protect consumers from Authorised Push Payment scams (APP scams).

An APP scam happens when:

- You meant to send money to a particular person, but you were deceived or manipulated into sending money to someone else, or
- You sent money to someone for what you believed was a genuine purpose, but it was actually fraudulent.

We're updating the terms to explain when you may be entitled to a refund if the payment you sent was part of an APP scam. We've also set out the steps you, and we, will need to take to report and investigate any APP scam payments before we give a refund.

- **Payments that are covered:** You may be entitled to a refund if you make an electronic payment in pounds sterling by Faster Payment, CHAPS or internal transfer to another account in the UK which is not under your control. The new rules won't apply to payments you make by debit card or Direct Debit.
- **Telling us about the APP scam:** You'll need to tell us as soon as you discover the scam and within 13 months of the last payment made as part of the scam.
- **What we'll do once you tell us:** We'll look at everything that's happened and consider your personal circumstances. If you're entitled to a refund, we'll refund you within 5 working days after you tell us about the payment, unless we need more information. If we do, we'll give you a final decision within 35 working days.

New consumer protections for APP scams (continued)

What's changing?

- **Giving us information:** You'll need to give us enough information to make a decision and we might ask you to share, or consent to us sharing, the information with the police or another relevant authority.
- **Reasons why you may not get a refund:** If you don't tell us within the required timeframes, you've acted fraudulently, dishonestly or illegally, or there's a genuine dispute with the person who you paid for goods or services. If we find you've been very careless and you should've known that the payment was part of an APP scam, you normally won't get a refund.
- **Things you should do to protect yourself:** We'll expect you to take some steps to protect yourself from fraud. These include:
 - Listening to warnings: When we, or someone else such as the police, warn you about the risk that a payment you want to make may be part of an APP scam.
 - Sharing information with us: When we make a reasonable and proportionate request about a payment so we can look into your claim.
 - Telling us about the fraud: Within the timeframes set out above.
 - Reporting the APP scam to the police: If we ask you to. We may also ask for your consent for us to report the APP scam to the police on your behalf.
- **How much you'll be refunded:** We'll refund you any payments made as part of an APP scam up to the maximum amount set by the regulator. You can find the current limit on our website. We may make you responsible for the first £100 of your claim.
- **APP scam payments made before 7 October 2024:** The terms already explain what will happen if you're a victim of an APP scam – see the section 'Payments made to a fraudster'. Those terms will continue to apply to electronic payments (other than Direct Debits or debit card payments) made in the UK in pounds sterling as part of an APP scam before 7 October 2024.

Changes to your ISA terms

What's changing?

- We're making some changes to Section F of the terms to reflect new ISA rules which were introduced by the government on 6 April 2024, as well as clarifying that we might impose restrictions on transfers. The changes include:
- We've amended the terms to reflect that regulation allows you to pay into more than one cash ISA each tax year. The government has the power to change the number and type of ISAs you can pay into each tax year. You can find more information on our website.
 - We've explained that we may not allow all transfer requests. You can find more information on the types of transfer we do allow on our website.
